

PEDIGREE

KS MICHEL VON DER GOLDENEN MARK

Registration Number : STK 422M
German Shorthaired Pointer
Male

The pedigree chart is a horizontal diagram with four levels of branching. The top level has a single line on the left. The second level branches into two lines. The third level branches into four lines. The fourth level branches into eight lines. Each line is a horizontal bar with a small circle at the left end, representing a dog's head. The lines are connected by vertical lines, forming a tree structure. The background has a light blue diamond pattern.
