BRINDLE BAY PEANUT OF MINTERBURN

A pedigree chart for the dog Brindle Bay Peanut of Minterburn. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, each leading to a horizontal line representing a parent. Each of these two horizontal lines then branches into two more horizontal lines, representing the grandparents. This structure allows for recording the lineage of the dog up to two generations back.

SUNSHINE OF THE VALLEY SCOUT

A pedigree chart for the dog Sunshine of the Valley Scout. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, each leading to a horizontal line representing a parent. Each of these two horizontal lines then branches into two more horizontal lines, representing the grandparents. This structure allows for recording the lineage of the dog up to two generations back.
