WARD'S DANHAWK

The pedigree chart is a horizontal tree diagram. It starts with two parents on the left: 'WARD'S DANHAWK' and 'QR GOING JESSIE'. From 'WARD'S DANHAWK', a line goes to a vertical line, which then branches into two horizontal lines. From 'QR GOING JESSIE', a line goes to a vertical line, which then branches into two horizontal lines. Each of these four horizontal lines then branches into two more horizontal lines, creating a total of eight offspring slots on the right side of the chart.
