CH QUAIL RUNS SURFER GIRL QAA MH

Chesapeake Bay Retriever
Female

A pedigree chart template for a female dog. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes. The chart is framed by a decorative border of blue and white geometric shapes. The chart is divided into two main sections by a horizontal line. The top section is for the dam (mother) and the bottom section is for the sire (father). Each section has a horizontal line on the left for the name, followed by a vertical line that branches into two horizontal lines for the parents. Each of these four horizontal lines further branches into two horizontal lines for the grandparents. The lines are black and the text is in a serif font.
