

PEDIGREE

NFTCH/NAFTCH CLUBMEADS STEEL MAGNOLIA

Labrador Retriever
Female

A pedigree chart template for a female dog. The chart is set against a background of a repeating pattern of interlocking circles. It features a central vertical line with two horizontal lines branching out to the left, representing the parents. From the right side of the central line, four horizontal lines branch out, representing the offspring. Each of these four lines further branches into two more horizontal lines, representing the next generation. The lines are black and the background pattern is light blue.
