

PEDIGREE

CARLSONS GOLDEN GLOBE AWARD

Labrador Retriever
Male

A pedigree chart template for a Labrador Retriever male. The chart is set against a background of a repeating pattern of interlocking circles. It features a central vertical line with two horizontal lines branching out to the left and right, representing the parents. From each of these horizontal lines, two more horizontal lines branch out to the left and right, representing the grandparents. This structure allows for the recording of four generations of ancestry. The lines are black and the background pattern is light blue.
