

PEDIGREE

HARVEST MEADOWSS SINGIN GERDIE BIRD

German Wirehaired Pointer
Female

The pedigree chart is a horizontal tree structure. It begins with two main horizontal lines on the left, representing the parents. Each of these lines branches into two lines, representing the grandparents. Each of these four lines then branches into two lines, representing the great-grandparents. This structure allows for recording four generations of ancestry. The lines are thin and black, set against a light blue background with a subtle, repeating pattern of the words 'Gundog Central'.
