

German Shorthaired Pointer
Male

The image shows a blank template for a dichotomous key. It features a central vertical line that branches out into two main paths. Each path consists of a series of horizontal lines, with the first line being the longest and subsequent lines being shorter, creating a stepped appearance. The background is a light blue color with a repeating pattern of faint, stylized text that reads "Dichotomous Key" and "Biology" in a decorative font. The overall layout is clean and organized, designed to facilitate the creation of a dichotomous key for a biology project.
