

PEDIGREE

German Wirehaired Pointer

CH Ripsnorter Thrill of a Lifetime at Reece JH NAVHDA NA Prize 1

A pedigree chart template for a German Wirehaired Pointer. The chart is designed to show the lineage of a dog, starting from a single individual on the left and branching out to show its parents, grandparents, and so on. The chart is composed of several horizontal lines that connect to form a series of 'V' shapes, representing the mating of two individuals to produce offspring. The chart is set against a background of a repeating pattern of the words 'NAVHDA' and 'Gundog' in a light blue color. The chart is framed by a decorative border on the top and bottom, and a vertical border on the left and right sides.
