

PEDIGREE

CPR AEBISCHERS SUNSHINE OHONEY BEAR

Labrador Retriever
Female

The pedigree chart is a standard three-generation template. It begins with a single line on the left representing the subject, CPR AEBISCHERS SUNSHINE OHONEY BEAR. This line descends and branches into two lines, representing the first generation of parents. Each of these parent lines then branches again into two lines, representing the second generation of grandparents. Finally, each of these four lines branches a third time into two lines, representing the third generation of great-grandparents. The chart is designed to be filled out with names and registration numbers for each individual in the lineage.
