SUGAR RIDGE PATCH CASEY

A pedigree chart for Sugar Ridge Patch Casey. The name is on the left, connected by a horizontal line to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to two more horizontal lines. Each of these two horizontal lines then branches into two diagonal lines that meet a final horizontal line, resulting in four empty lines for offspring.

LEHNERS LUCY PATCH

A pedigree chart for Lehn's Lucy Patch. The name is on the left, connected by a horizontal line to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to two more horizontal lines. Each of these two horizontal lines then branches into two diagonal lines that meet a final horizontal line, resulting in four empty lines for offspring.
