FC O W SHAG

A pedigree chart for the dog FC O W SHAG. It features a horizontal line on the left representing the dog. This line connects to a vertical line that splits into two diagonal lines, representing the parents. These diagonal lines connect to a horizontal line representing the offspring. This horizontal line then splits into two diagonal lines, representing the offspring's parents. Finally, these diagonal lines connect to a horizontal line representing the offspring's offspring. This structure repeats once more, resulting in two levels of offspring.
