BIG RIVER SALLY

Treeing Cur  
Female

BIG RIVER DAN

The pedigree chart is a horizontal tree diagram. It starts with a single line on the left labeled 'BIG RIVER DAN'. This line branches into two lines, which then branch into four lines, and finally into eight lines. The lines are arranged in a symmetrical, branching pattern, typical of a pedigree chart. The background of the chart area is a light blue pattern of interlocking circles. The entire chart is framed by a decorative border of blue and white geometric shapes.
