

PEDIGREE

HALF MOUNTAIN RED GINGER

Beagle
Female

WIREMANS RUSTY DAN

A pedigree chart for Wiremans Rusty Dan. The chart shows a single parent on the left connected to a vertical line that splits into two horizontal lines. Each horizontal line then splits into two vertical lines, which each connect to a horizontal line on the right. This structure represents a single parent with two offspring, each of whom has two offspring of their own.

HALF MOUNTAIN PENNY ANTE

A pedigree chart for Half Mountain Penny Ante. The chart shows a single parent on the left connected to a vertical line that splits into two horizontal lines. Each horizontal line then splits into two vertical lines, which each connect to a horizontal line on the right. This structure represents a single parent with two offspring, each of whom has two offspring of their own.
