COTTON COUNTRY BANDIT

A pedigree chart for Cotton Country Bandit. The chart shows Cotton Country Bandit on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, each leading to a horizontal line. These two horizontal lines are connected by a vertical line, which then branches into two diagonal lines leading to two more horizontal lines. This structure represents a sire and dam pair, with their respective offspring.

PARKWOOD PEPPERMINT PATTY

A pedigree chart for Parkwood Peppermint Patty. The chart shows Parkwood Peppermint Patty on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, each leading to a horizontal line. These two horizontal lines are connected by a vertical line, which then branches into two diagonal lines leading to two more horizontal lines. This structure represents a sire and dam pair, with their respective offspring.
