The pedigree chart for Malley's Judy is a horizontal flow diagram. It starts with two parents on the left: 'UNKNOWN MALE' and 'UNKNOWN FEMALE'. Each parent has a line that leads to a vertical line, which then branches into two horizontal lines representing their offspring. The 'UNKNOWN MALE' parent has two offspring, and the 'UNKNOWN FEMALE' parent has two offspring. Each of these four offspring lines then branches into two more horizontal lines, representing the next generation. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes. The entire chart is framed by a decorative border of blue and white geometric shapes.
