Female

MACS BOGGY HOLLER DUEY

A pedigree chart for MACS BOGGY HOLLER DUEY. The chart shows a single line from the name on the left that splits into two lines, each leading to a horizontal line representing a parent. Each of these two lines then splits again into two lines, each leading to a horizontal line representing a grandparent. This results in a total of four horizontal lines on the right side of the chart, representing four grandparents.

MACS LITTLE MOLLY

A pedigree chart for MACS LITTLE MOLLY. The chart shows a single line from the name on the left that splits into two lines, each leading to a horizontal line representing a parent. Each of these two lines then splits again into two lines, each leading to a horizontal line representing a grandparent. This results in a total of four horizontal lines on the right side of the chart, representing four grandparents.
