

PEDIGREE

WARCZINSKYS LIBERTY BELLE

Beagle
Female

STARDUST CODE BLUE OF GA

The pedigree chart is a horizontal flow diagram. It starts with two parent names on the left: 'STARDUST CODE BLUE OF GA' and 'DIANES TICKER MAY STARDUST'. From each parent, a line extends to the right and then splits into two diagonal lines, representing the inheritance of traits. These lines then merge into a single horizontal line that splits again into two diagonal lines, representing the inheritance of traits. This process repeats for the next generation, with each parent's line splitting into two diagonal lines, merging into a single horizontal line, and then splitting again into two diagonal lines. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes.

DIANES TICKER MAY STARDUST
