POL/INT CH HOTSHOT XANDRINA

The pedigree chart is a horizontal tree structure. It starts with two parents on the left. The top parent is labeled 'POL/INT CH HOTSHOT XANDRINA'. The bottom parent is labeled 'POL CH ALOTORIUS OLD GLORY PERSFAZJA'. Lines from these parents converge into a single line that then splits into two lines, representing the first generation of offspring. Each of these two lines then splits again into two lines, representing the second generation of offspring. This results in a total of eight empty lines on the right side of the chart for recording names and details of the offspring.
