PETTITS JR

The pedigree chart is a horizontal tree structure. It starts with two parents on the left: 'PETTITS JR' and 'MORMANS REDTICK APRIL'. From 'PETTITS JR', a line goes to a vertical line, which then branches into two horizontal lines. Each of these horizontal lines further branches into two more horizontal lines, resulting in four offspring. A similar structure exists for 'MORMANS REDTICK APRIL', also resulting in four offspring. All lines are black and the background has a light blue repeating pattern.
