BK TUGA

A pedigree chart for BK TUGA. A horizontal line on the left leads to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to meet two horizontal lines. This structure repeats once more, resulting in four horizontal lines on the right side of the chart.

BK TENACIOUS

A pedigree chart for BK TENACIOUS. A horizontal line on the left leads to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to meet two horizontal lines. This structure repeats once more, resulting in four horizontal lines on the right side of the chart.
