

PEDIGREE

SR20838405

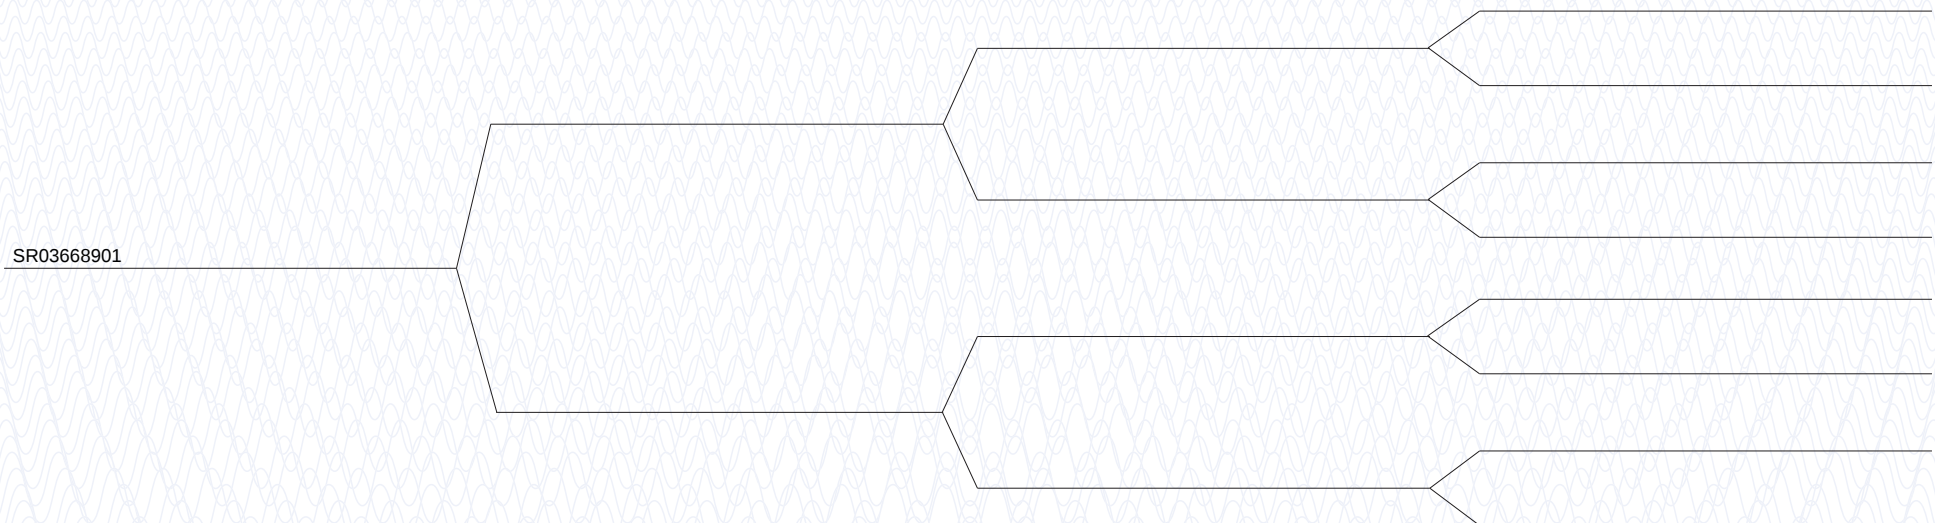

Labrador Retriever
Female

SN59974911

A pedigree chart for the dog SN59974911. The chart shows a horizontal line on the left representing the dog. This line connects to a vertical line, which then branches into two horizontal lines. Each of these horizontal lines connects to another vertical line, which then branches into two horizontal lines. Finally, each of these four horizontal lines connects to a vertical line, which then branches into two horizontal lines. This structure represents a four-generation pedigree chart.

SR03668901

A pedigree chart for the dog SR03668901. The chart shows a horizontal line on the left representing the dog. This line connects to a vertical line, which then branches into two horizontal lines. Each of these horizontal lines connects to another vertical line, which then branches into two horizontal lines. Finally, each of these four horizontal lines connects to a vertical line, which then branches into two horizontal lines. This structure represents a four-generation pedigree chart.
