

PEDIGREE

SILVER BOW'S LITTLE BLACK BOOK

Labrador Retriever
Female

A pedigree chart template for a female Labrador Retriever. The chart is set against a background of a repeating pattern of interlocking circles. It features a central vertical line with two horizontal lines branching out to the left and right, representing the parents. From each of these horizontal lines, two more horizontal lines branch out to the left and right, representing the grandparents. This structure allows for the recording of three generations of ancestry. The lines are black and the background pattern is light blue.
