Irish Setter
Female

REBEL OBROPHY

A pedigree chart for the dog Rebel Obrophy. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, each splitting into two diagonal lines that meet a final vertical line. From this final vertical line, eight horizontal lines extend to the right, representing the names of the dog's offspring.

DECKERS DIXIE DOODLE

A pedigree chart for the dog Deckers Dixie Doodle. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, each splitting into two diagonal lines that meet a final vertical line. From this final vertical line, eight horizontal lines extend to the right, representing the names of the dog's offspring.
