

PEDIGREE

LARSENS TONYA

Beagle
Female

LARSENS STORMIE

The pedigree chart is a horizontal tree structure. It starts with a single line on the left labeled 'LARSENS STORMIE'. This line branches into two lines that lead to two more lines, representing the first generation of offspring. Each of these two lines then branches again into two lines, representing the second generation of offspring. The chart is designed to be filled out with names and dates for each individual in the lineage.
