

PEDIGREE

RAINEY RIVERS CLAUDIA

Large Munsterlander
Female

SNOWY OAKS POLO

The pedigree chart is a horizontal flow diagram. It starts with two parents on the left: 'SNOWY OAKS POLO' (male) and 'BAVARIAN INNS BELLE' (female). They are connected by a horizontal line. From this line, two diagonal lines branch out to the right, representing their offspring. Each of these two lines then branches again into two more lines, representing the next generation. This results in a total of eight lines on the right side of the chart, representing the grandchildren. The lines are connected by horizontal segments and diagonal branching lines, forming a clear lineage structure.

BAVARIAN INNS BELLE
