Male

IM ELVIS

A pedigree chart for IM ELVIS. A horizontal line on the left leads to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to two more horizontal lines. Each of these two horizontal lines then branches into two diagonal lines that meet a final horizontal line. This final horizontal line branches into two diagonal lines that meet two final horizontal lines. The chart is designed for a male English Setter.

MERCEDEE

A pedigree chart for MERCEDEE. A horizontal line on the left leads to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to two more horizontal lines. Each of these two horizontal lines then branches into two diagonal lines that meet a final horizontal line. This final horizontal line branches into two diagonal lines that meet two final horizontal lines. The chart is designed for a male English Setter.
