

# PEDIGREE

## DEEP VALLEY IVY OF PAYTON

Irish Setter  
Female

DRAHERIN TALISMAN

A pedigree chart for Draherin Talisman. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, each splitting into two diagonal lines that meet a final vertical line. From this final vertical line, eight horizontal lines extend to the right, representing the offspring of the second generation.

DRAHERIN FASCINATION

A pedigree chart for Draherin Fascination. The name is on the left. A horizontal line extends to the right, then splits into two diagonal lines that meet a vertical line. From this vertical line, two horizontal lines extend to the right, each splitting into two diagonal lines that meet another vertical line. From this second vertical line, four horizontal lines extend to the right, each splitting into two diagonal lines that meet a final vertical line. From this final vertical line, eight horizontal lines extend to the right, representing the offspring of the second generation.
