CHIEF BENTLEY BRAVEHEART

A pedigree chart for Chief Bentley Braveheart. The name is on the left, connected by a horizontal line to a vertical line. This vertical line splits into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to the right, meeting another horizontal line. This second horizontal line then splits into two diagonal lines that meet a final horizontal line. This final horizontal line is split into two empty horizontal lines for offspring.

PRINCESS SOPHIA DE BALZAC

A pedigree chart for Princess Sophia de Balzac. The name is on the left, connected by a horizontal line to a vertical line. This vertical line splits into two diagonal lines that meet a horizontal line. From this horizontal line, two diagonal lines branch out to the right, meeting another horizontal line. This second horizontal line then splits into two diagonal lines that meet a final horizontal line. This final horizontal line is split into two empty horizontal lines for offspring.
