The pedigree chart for Young Prince Whitestone is a horizontal tree diagram. It starts with a single line on the left labeled 'FTCH PRINCE WHITESTONE'. This line splits into two horizontal branches. Each of these branches splits again into two more horizontal branches, resulting in a total of eight branches. Each of these eight branches splits a final time into two horizontal lines, creating a total of sixteen lines for the final generation. The chart is set against a background with a repeating pattern of small, stylized dog silhouettes.
