Stick River Rogue

A pedigree chart for the dog 'Stick River Rogue'. The name is on the left, connected by a horizontal line to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two more diagonal lines branch out to meet another horizontal line. This second horizontal line then branches into two diagonal lines that meet a final horizontal line. This final horizontal line branches into two diagonal lines that meet two parallel horizontal lines, representing the parents of the dog.

Easy Acres Maggie

A pedigree chart for the dog 'Easy Acres Maggie'. The name is on the left, connected by a horizontal line to a vertical line. This vertical line branches into two diagonal lines that meet a horizontal line. From this horizontal line, two more diagonal lines branch out to meet another horizontal line. This second horizontal line then branches into two diagonal lines that meet a final horizontal line. This final horizontal line branches into two diagonal lines that meet two parallel horizontal lines, representing the parents of the dog.
