English Cocker Spaniel
Female

Pedigree chart template for a female English Cocker Spaniel. The chart is a horizontal flow diagram with three generations. The first generation (top) has a single line on the left that splits into two lines. The second generation (middle) has two lines on the left, each of which splits into two lines. The third generation (bottom) has four lines on the left, each of which splits into two lines. All lines are horizontal and connected by diagonal lines at the splits, forming a branching structure. The background is a light blue pattern of interlocking circles.
