

PEDIGREE

ASH DE PALLES

Spanish Pointer
Male

GEROMIN DE PARDILLO

The pedigree chart for Ash de Palles is a three-generation tree. It starts with two parents on the left: Geromin de Pardillo (male) and Boira de Pedralvez (female). They have four offspring in the second generation: two males and two females. Each of these four offspring has two offspring in the third generation, resulting in a total of eight offspring for the second generation. The chart uses standard pedigree symbols: squares for males and circles for females. The lines connecting the parents to their offspring are horizontal, and the lines connecting offspring to their parents are diagonal, meeting at a central point. The background of the chart area is a light blue repeating pattern of the words 'Gundog Central'.
