Male

GLACIALS GONE WITH GUSTO

The pedigree chart is a horizontal tree diagram. It starts with two parent names on the left: 'GLACIALS GONE WITH GUSTO' and 'CH MARSHMEADOWS COUNTRY CRICKET'. From each parent, a line extends to the right and then splits into two lines, representing the first generation of offspring. Each of these four lines then splits again into two lines, representing the second generation of offspring. This results in a total of eight empty lines on the right side of the chart for recording names and details.

CH MARSHMEADOWS COUNTRY CRICKET
