MORE MAGIC FROM HOLZINGERS

British Labrador Retriever
Female

A pedigree chart template for a British Labrador Retriever female. The chart is set against a background of a repeating pattern of interlocking circles. It features a central vertical line with two horizontal lines branching out to the left and right, representing the parents. From each of these horizontal lines, a vertical line descends to a horizontal line, representing the offspring. This structure allows for recording the names and details of the parents and their offspring.
