Beagle
Male

LARSENS STORMIE

A pedigree chart for Larsens Stormie. A horizontal line on the left leads to a vertical line. From this vertical line, two diagonal lines branch out to the right, meeting a horizontal line. From this horizontal line, two diagonal lines branch out to the right, meeting another horizontal line. This second horizontal line then branches into two diagonal lines, each meeting a horizontal line. This structure repeats once more, resulting in a total of eight horizontal lines on the right side of the chart, representing four generations of offspring.

COUNTRY CREEK DIAMOND RIO

A pedigree chart for Country Creek Diamond Rio. A horizontal line on the left leads to a vertical line. From this vertical line, two diagonal lines branch out to the right, meeting a horizontal line. From this horizontal line, two diagonal lines branch out to the right, meeting another horizontal line. This second horizontal line then branches into two diagonal lines, each meeting a horizontal line. This structure repeats once more, resulting in a total of eight horizontal lines on the right side of the chart, representing four generations of offspring.
