

PEDIGREE

Wirehaired Pointing Griffon

AMCH QUINTESSA VON HERRENHAUSEN NAVHDA NA PHF

The pedigree chart is a standard format for recording the lineage of a dog. It consists of a central horizontal line representing the dam (left) and the sire (right). From the dam's side, two vertical lines lead to two horizontal lines, representing her parents. Similarly, from the sire's side, two vertical lines lead to two horizontal lines, representing his parents. The chart is set against a background of a repeating pattern of the letters 'S' and 'G'.
