ROYAL HUNTS GDB CHARLEMAGE

Wirehaired Pointing Griffon
Male

A pedigree chart template for a Wirehaired Pointing Griffon. The chart is set against a background of a repeating pattern of the letters 'G' and 'D'. It features a central vertical line with two horizontal lines branching out to the left and right, representing the parents. From each of these horizontal lines, two more horizontal lines branch out, representing the grandparents. This structure allows for the recording of four generations of ancestry. The chart is framed by a decorative border consisting of a repeating pattern of stylized 'G' and 'D' letters.
