

PEDIGREE

ROYAL HUNTS GDB CHARLEMAGE

Wirehaired Pointing Griffon
Male

A pedigree chart template for a Wirehaired Pointing Griffon. The chart is set against a background of a repeating pattern of the letters 'G' and 'D' in a light blue color. The chart is framed by a decorative border of blue and white repeating patterns. The chart consists of two main horizontal lines on the left, each representing a parent. These lines branch out to the right, forming a series of horizontal lines for offspring. The branching pattern is as follows: the top parent line branches into two lines, which then branch into four lines; the bottom parent line branches into two lines, which then branch into four lines. The lines are black and the text is in a serif font.
