

PEDIGREE

CH GSPCA HOF HUNTABIRD'S MAIN REASON

German Shorthaired Pointer
Male

The pedigree chart is a horizontal diagram showing the relationships between individuals across three generations. The top generation (I) has one individual (I-1) on the left. The middle generation (II) has two individuals (II-1 and II-2) on the left. The bottom generation (III) has four individuals (III-1, III-2, III-3, and III-4) on the left. Each individual is represented by a horizontal line with a vertical line extending from it, and a horizontal line extending from the vertical line to the right. The lines are connected by diagonal lines forming a zigzag pattern. The chart is set against a background of a repeating pattern of German Shorthaired Pointer heads.
