

PEDIGREE

DECKSTERS SCOOP OF N FLT HOPE

Chesapeake Bay Retriever
Female

A pedigree chart template for a female dog. The chart is set against a background of a repeating pattern of interlocking circles. It features a central vertical line with two horizontal lines branching out to the left, representing the parents. From each parent line, a vertical line descends to a horizontal line, which then branches into two vertical lines, representing the grandparents. This structure allows for recording the lineage of the dog. The chart is framed by a decorative border of interlocking circles.
