

# PEDIGREE

## CHYKNELL SUSAN

English Cocker Spaniel  
Female

The pedigree chart is a horizontal tree structure showing four generations of ancestry. The first generation (top) consists of a single line on the left. This line branches into two lines for the second generation. Each of these two lines branches into two lines for the third generation. Finally, each of the four lines from the third generation branches into two lines for the fourth generation (bottom). The chart is designed to be filled out with names and dates for each individual in the lineage.
