Female

FUDGES MR KIRK

The pedigree chart is a horizontal tree diagram. It starts with two parents on the left: 'FUDGES MR KIRK' and 'L J SISSY'. From 'FUDGES MR KIRK', a horizontal line extends to the right, then a vertical line goes down to a horizontal line. From this horizontal line, two diagonal lines branch out to the right, each leading to a horizontal line. From 'L J SISSY', a horizontal line extends to the right, then a vertical line goes down to a horizontal line. From this horizontal line, two diagonal lines branch out to the right, each leading to a horizontal line. Each of these four horizontal lines then branches into two more horizontal lines on the far right, representing the offspring of each parent.
