```

The pedigree chart for Crosby's Ready is a horizontal tree diagram. It starts with two parents on the left: Crosby's Horse Creek Monkey and Crosby's Coco. Crosby's Horse Creek Monkey is the sire, and Crosby's Coco is the dam. They have four offspring: two males (top two) and two females (bottom two). Each of these four offspring has two more offspring, for a total of eight grandchildren. The chart is set against a background of a repeating pattern of small, stylized dog silhouettes. The entire page is framed by a decorative border of blue and white geometric patterns.
