

PEDIGREE

DISCOVERLY'S GOLDEN DEE 1608773

English Setter
Female

DISCOVERLY'S HIGH DILLON

A pedigree chart for the dog Discoverly's High Dillon. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, representing the parents. Each of these diagonal lines then connects to a horizontal line, representing the grandparents. This structure allows for the recording of the dog's lineage up to the grandparent level.

DISCOVERLY'S LITTLE SNOW 1560400

A pedigree chart for the dog Discoverly's Little Snow. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, representing the parents. Each of these diagonal lines then connects to a horizontal line, representing the grandparents. This structure allows for the recording of the dog's lineage up to the grandparent level.
