

PEDIGREE

REDSTONE BAZOOKA BABE

American Brittany
Female

FC LITTLE MIKE BAZOOKA OF TEJAS

The pedigree chart is a horizontal tree diagram. It starts with two parents on the left: 'FC LITTLE MIKE BAZOOKA OF TEJAS' (top) and 'FC PACOLET CHEYENNE BABE' (bottom). Lines from these parents converge into a single vertical line, which then splits into two horizontal lines representing the first generation of offspring. Each of these two lines then splits again into two more horizontal lines, representing the second generation of offspring. This results in a total of four offspring lines for each parent's side, for a total of eight potential offspring slots. The lines are solid black and form a clear branching structure.

FC PACOLET CHEYENNE BABE
