Hungarian Vizsla
Male

SN66732406

A pedigree chart for dog SN66732406. The chart shows a horizontal line on the left representing the dog. This line connects to a vertical line, which then branches into two horizontal lines. Each of these horizontal lines connects to another vertical line, which then branches into two horizontal lines. Finally, each of these four horizontal lines connects to a vertical line, which then branches into two horizontal lines. This structure represents a four-generation pedigree chart.

SN74166702

A pedigree chart for dog SN74166702. The chart shows a horizontal line on the left representing the dog. This line connects to a vertical line, which then branches into two horizontal lines. Each of these horizontal lines connects to another vertical line, which then branches into two horizontal lines. Finally, each of these four horizontal lines connects to a vertical line, which then branches into two horizontal lines. This structure represents a four-generation pedigree chart.
