

PEDIGREE

BERNADETTE MADISON BUXUSSON

English Springer Spaniel
Female

The pedigree chart is a horizontal tree structure. It begins with a single line on the left, which branches into two lines. Each of these lines branches again into two lines, and this pattern continues for three generations, resulting in a total of 16 lines on the right side of the chart. The lines are arranged in a symmetrical, branching pattern, typical of pedigree charts. The background of the chart area is a light blue grid with a repeating pattern of small, stylized dog silhouettes.
