IFC CYRON KC

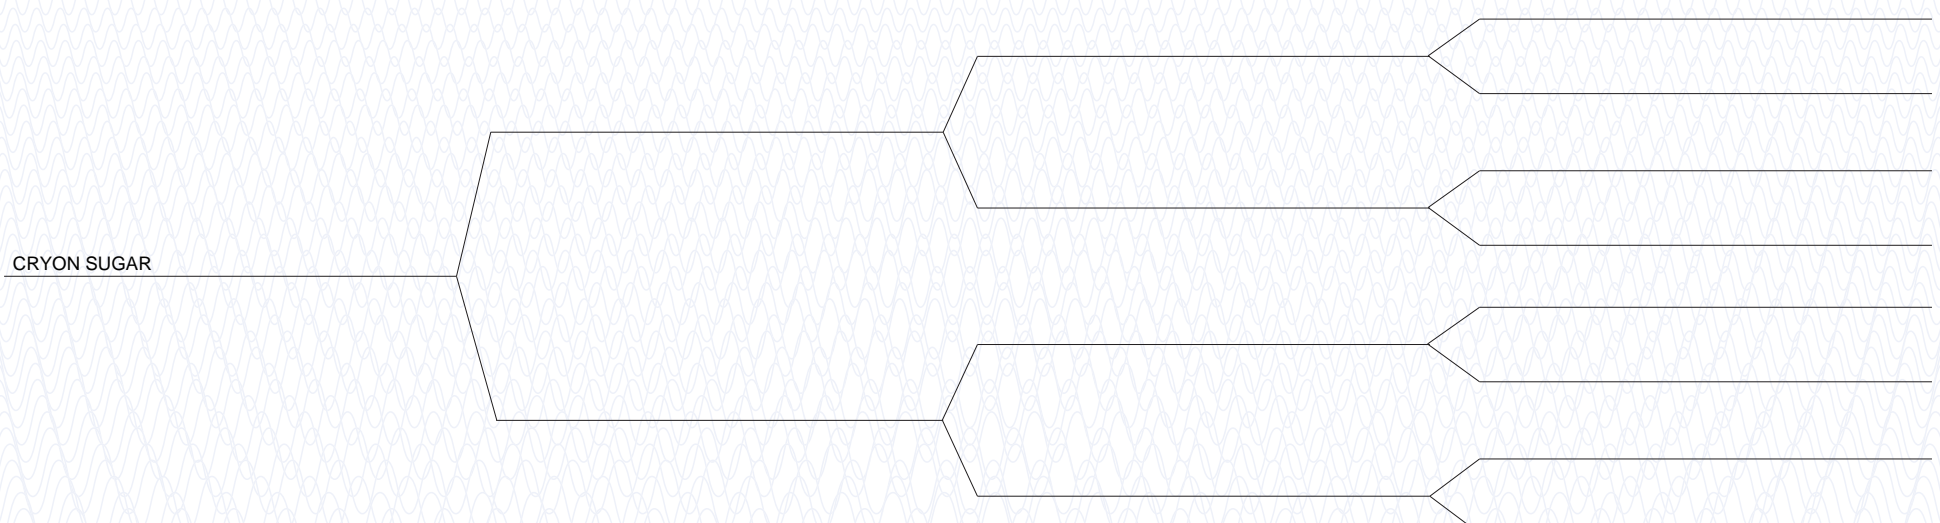

Beagle
Female

FTC CRYON KOJACK

A pedigree chart for the dog FTC CRYON KOJACK. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, representing the parents. Each of these diagonal lines then connects to a horizontal line, which further branches into two more horizontal lines, representing the grandparents. This structure allows for recording the names and details of the dog's parents and grandparents.

CRYON SUGAR

A pedigree chart for the dog CRYON SUGAR. The chart shows the dog's name on the left, connected by a horizontal line to a vertical line. From this vertical line, two diagonal lines branch out to the right, representing the parents. Each of these diagonal lines then connects to a horizontal line, which further branches into two more horizontal lines, representing the grandparents. This structure allows for recording the names and details of the dog's parents and grandparents.
