A pedigree chart template for a dog named "DIESEL". The chart is set against a background of a repeating pattern of small, stylized dog silhouettes. The chart is divided into two main sections, each representing a generation. Each section starts with a single line on the left, which branches into two lines, each of which then branches into two more lines, creating a total of eight lines for each generation. The lines are arranged in a symmetrical, tree-like structure. The top section has four lines, and the bottom section has four lines. Each line is a simple black line, and the branching points are indicated by small, stylized dog silhouettes.
